SCOTLAND'S APPRENTICE NETWORK - IS AN APPRENTICESHIP FOR ME ?

There's no one better to promote apprenticeships to your pupils than successful apprentices themselves – that's the thinking behind Scotland's Apprentice Network!

The Network is a community of past and present apprentices who volunteer their time to promote apprenticeships to school pupils, parents/carers, teachers, employers and government.

You can now access a whole network of apprentices and book time for them to virtually talk to pupils or take part in a virtual event at your school.
