Young Workforce

ENTERPRISING PUPILS SHINE

Have you ever wanted to run your own business but just didn't have the opportunity to do so? Well the pupils of Carronrange High School have done just that and have loved every single minute of it.

This year, with the support of their teachers and the Young Enterprise Forth Valley team, 2 amazing businesses were created; 'School of Sweets' and 'Gift-Tastic'.

The Young Enterprise Team Programme is designed for pupils who have mild to moderate learning difficulties, supporting their transition from education into independent living and employment as well as providing support to develop essential skills; what's not to love.

Let's hear more from the team at Carronrange High School about what the programme means to them.

Miss Procek

WHY DID YOU WANT YOUR PUPILS TO GET INVOLVED WITH THE PROGRAMME?

The YE Team Programme has been such a fantastic addition to our curriculum. Our pupils get the chance to develop vital skills for life and work as they get ready to leave school. I have seen the confidence of my pupils grow and they have really enjoyed the responsibility that running a business has brought. They have also enjoyed being part of the awards events along with everyone else from across the region and nationally and are so proud of their achievements. This is our second year running the Team Programme now and the support from Young Enterprise Forth Valley is invaluable. I would absolutely recommend to anyone to add this to their timetable, you won't regret it!

WHAT THE PUPILS HAD TO SAY

LEAH

I learned about being
more sociable

ANDREW

I was good at following
instructions well

SHANNON

I learned that you can get on with
people if you try hard enough and I
am more confident

KIAN

I am proud of how successful we've
been as a company and I've
improved my work ethic

OWEN

I learned how to run a business
and how to work well with money

If you would like to find out more about how your school can get involved in the Young Enterprise Programmes please contact the team at forthvalley@yes.org.uk.
