SPOTLIGHT ON...

VIRTUAL ENGAGEMENT SUPPORT & RESOURCES

Useful for educators to view and share with your partner networks.

VIRTUAL ENGAGEMENT BEST PRACTICE SUPPORT & RESOURCES

A virtual engagement best practice guide has been produced by SDS for industry professionals interested in delivering engaging virtual sessions.

VIRTUAL WORK PLACEMENT GUIDANCE

This document has been created to support the delivery of high quality Virtual Work Placements in accordance with a set of national expectations. It offers some practical advice and exemplification to those involved in the planning, running and evaluation of Virtual Work Placements and may be useful for employers to use when considering how they adapt work placements to meet the needs of our changed circumstances.

Alongside essential requirements, the guidance also refers to safeguarding procedures, certification and recognition of learning and achievements.

NATIONAL PROGRAMMES

BUILD YOUR FUTURE

Build Your Future provides a core suite of virtual career insight resources into The Built Environment & Construction Industry. Split into five different themes to make it easier to digest and allowing you to utilise the toolkit resources in relevant subjects in bite-sized chunks.

NEW YEAR, FIRST CAREER

All resources are now available on the DYW.Scot website linked above. These are easily digestible resources for young people when thinking about routes and pathways or linking the curriculum to the world of work relating to Health & Social Care, Food Production & the Energy sector.

MARKETPLACE

Employers are ready to engage with you and your pupils. There are many offers, below are a few highlights.

NEVER USED MARKETPLACE?

WATCH THE WALK-THROUGH HERE

ARMED FORCES VIRTUAL WORKSHOPS

Army specialists are on standby to deliver free 60-minute virtual workshops linked to curriculum subject areas and key employability skills. Ideal lesson inserts covering a range of areas from Finance, Catering, Engineering, Crime Scene Investigation, Communications.

THE FUTURE OF SPACE

This is an event not only for young people aged 16+ who are interested in the sector but also for those who have never contemplated a career in space, to challenge your perceptions and help you discover the range of pathways into a role in the space sector, in Scotland.

The event will take place across two days, on Wednesday 5th May and Thursday 6th May, 11am – 12pm.

FINANCIAL EDUCATION ACROSS THE CURRICULUM

Young Enterprise Scotland aims to equip all young people with the skills to thrive in life, learning and work. This course is aimed at all practitioners within secondary school who wish to develop their confidence in delivering high quality financial education learning experiences. 19th May, 4pm.
